## Almancora ASBL

The object of Almancora ASBL ('Association sans but lucratif') is to support the stability and continuity of KBC Group. As controlling shareholder of Almancora Société de gestion, it plays an important part in the appointment of the latter's Board of Directors.

In the same capacity, Almancora ASBL has the casting vote at the General Meeting of Shareholders of Almancora Société de gestion.

<sup>1</sup> AVAs: Other Stable Shareholders

MRBB: Maatschappij voor Roerend Bezit van de Boerenbond CVBA. These parties together with Cera and KBC Ancora constitute the stable shareholders of KBC Group and have entered into a shareholder agreement to this end with a view to supporting the general policy of KBC Group (see KBC Ancora ).

Ancora ASBL (the former ad hoc representative of KBC Ancora) was wound up and liquidated on 1 January 2020 and is therefore no longer included in the above group structure. Ancora ASBL lost its main raison d'être because, from 1 January 2020, it would no longer have been able to act as ad hoc representative of KBC Ancora if a conflict of interest should arise between KBC Ancora and Almancora Société de gestion.

Almancora ASBL's Board of Directors comprises the representatives of Cera members serving on the Board of Directors of Almancora Société de gestion SA and the managing directors of Almancora Société de gestion.

### **Almancora Société de gestion SA**

KBC Ancora does not have a Board of Directors of its own but is instead managed by a statutory director, Almancora Société de gestion SA. In this role, the duties of Almancora Société de gestion SA include setting out the policy to be pursued by KBC Ancora.

Almancora Société de gestion's Board of Directors (see Board of Directors of Almancora Société de gestion SA) is made up of at least four representatives of Cera members, at least two managing directors and at least three independent directors.

### **KBC Ancora SA**

KBC Ancora's principal activity is the maintenance and management of its shareholding in KBC Group with a view to ensuring, in collaboration with Cera, MRBB and the Other Stable Shareholders, the shareholder stability and continuity of KBC Group. To this end, KBC Ancora signed a shareholder agreement with these parties on 23 December 2004. Cera and KBC Ancora are viewed as a single party for the purposes of the agreement.

In December 2012, Cera and KBC Ancora contributed additional KBC Group shares which they already held to the shareholder agreement between Cera, KBC Ancora, MRBB and the Other Stable Shareholders, so that this agreement continued to represent more than 30% of the total number of KBC Group shares, including after the capital increase effected by KBC Group in December 2012. On 1 December 2014 Cera and KBC Ancora, together with MRBB and the Other Stable Shareholders, extended their collaboration as a syndicate in updated form with respect to KBC Group for a further term of ten years. In this connection, Cera, KBC Ancora, MRBB and the Other Stable Shareholders contributed all their shares to the shareholder agreement.

The shareholder agreement currently represents 167.6 million KBC Group shares, equivalent to 40.26% of the total number of KBC Group shares in issue. Cera and KBC Ancora have together committed 88.6 million KBC Group shares, or 21.29% of the total number of KBC Group shares. KBC Ancora has committed 77.5 million KBC Group shares, or 18.62% of the total, and Cera the rest.

## Statutory director's report

### Declaration in connection with risks

Certain risk factors could have an impact on the value of the assets held by KBC Ancora and on its ability to distribute a dividend.

KBC Ancora's assets consist almost entirely of a participating interest in KBC Group. For information on the specific risks to which KBC Group is exposed, reference is made to the annual report and press releases of KBC Group, which are available on the website [www.kbc.com](http://www.kbc.com).

A fall in the KBC Group share price will inevitably have a negative influence on the value of KBC Ancora's assets.

The investment in KBC Group is funded from capital and reserves in combination with loans from financial institutions. At the balance sheet date, those loans amounted to EUR 343 million. These are long-term loans carrying fixed rates of interest, with repayment dates in 2022 (EUR 100 million), 2024 (EUR 143 million) and 2027 (EUR 100 million). KBC Ancora closely monitors the interest-rate and refinancing risk.

In principle, KBC Ancora's recurring income consists mainly of the dividend it receives from its participating interest in KBC Group.

In the event that KBC Ancora does not receive a dividend from its participating interest in KBC Group in any given financial year, KBC Ancora will itself not pay a dividend in that year. If KBC Ancora once again receives KBC Group dividend in a subsequent financial year, its carried-forward result will be taken into account when determining the profit available for distribution.

### Declaration concerning effective corporate governance

KBC Ancora attaches great importance to corporate governance. It applies the Belgian Corporate Governance Code 2020 as a reference code. It is committed to implementing the 2020 Code as fully as possible.

KBC Ancora's Corporate Governance Charter explains the principal elements of the company's policy in relation to corporate governance. It is available on the website [www.kbcancora.be](http://www.kbcancora.be).

As KBC Ancora is managed by a statutory director, the provisions of the Belgian Corporate Governance Code are applied at the level of the Board of Directors of Almancora Société de gestion SA.

The Board of Directors of Almancora Société de gestion applies the principles from the Corporate Governance Code in full. It deviates from the provisions of the Code where the specific characteristics of KBC Ancora or its statutory director or specific circumstances make this necessary. In such cases the deviation is explained in accordance with the 'comply or explain' principle.

KBC Ancora's Corporate Governance Charter deviates from only a small number of the provisions of the Code.

Contrary to Provisions 2.13, 4.1 and 4.21 of the Corporate Governance Code, the Appointments Committee of Almancora Société de gestion may submit proposals directly (i.e. without the intervention of the Board of Directors) to the General Meeting of Shareholders of Almancora Société de gestion as regards the appointment of A, B and C directors. This offers the best guarantee of an independent nominations policy, in which the focus is exclusively on KBC Ancora's interests.

In addition, contrary to Provisions 7.7 and 7.8 of the Corporate Governance Code, the members of the Day-to-Day Management Committee receive no variable remuneration for their actual and set functions within KBC Ancora, and contrary to Provision 7.6 of the Corporate Governance Code, the executive and non-executive directors receive no remuneration in the form of shares in the company. Lastly, contrary to Provision 7.9 of the Corporate Governance Code, no obligation is

imposed on the members of the Day-to-Day Management Committee to hold a minimum number of shares in the company.

KBC Ancora's Corporate Governance Charter was comprehensively revised in the year under review to bring it into line with the provisions of the Belgian Code of Companies and Associations, the 2020 Corporate Governance Code and the recent amendments to the Articles of Association of KBC Ancora and Almancora Société de gestion which came into effect on 1 January 2020.

The principal changes are as follows:

- Veto rights for the statutory director pursuant to the Articles of Association rather than veto rights pursuant to the law, in connection with the transformation of KBC Ancora from a partnership limited by shares into a public limited liability company.
- Explicit emphasis on sustainable value creation, whereby the management body develops an inclusive approach which strikes a balance between the legitimate interests and expectations of the shareholders and other stakeholders.
- Additional requirements in relation to the composition of the management body (sufficient expertise regarding the various activities of the company and sufficient diversity in terms of competencies, background, age and gender), and particular attention for talent development and succession planning for directors and members of the Day-to-Day Management Committee.
- Amendment of the independence criteria for independent directors (cf. Provision 3.5 of the 2020 Code and Section 7:87 of the Belgian Code of Companies and Associations).
- Scrapping of the (optional) rotation system for directorships. The system was introduced on the incorporation of the company to prevent all directorships expiring at the same time; since then, however, a natural spread of directorships has developed.
- Explicit description of the tasks of the Board of Directors of Almancora Société de gestion, with particular attention for aspects such as responsible and ethical behaviour by directors, the development of a succession plan for the members of the Day-to-Day Management Committee and openness in communication with shareholders.
- Introduction of a Code of Ethics for the leadership of the company (directors and members of the Day-to-Day Management Committee).
- Explicit description of the tasks of the Chairman of the Board of Directors of Almancora Société de gestion and the tasks of the Company Secretary.
- Introduction of a three-year evaluation of the Board of Directors, its members and its committees.
- Amendment of the rules governing conflicts of interest between KBC Ancora and Almancora Société de gestion (cf. Section 7:102 of the Belgian Code of Companies and Associations), between KBC Ancora and an enterprise affiliated with KBC Ancora (cf. Section 7:97 of the Belgian Code of Companies and Associations), and between KBC Ancora and a director of Almancora Société de gestion (cf. Section 7:96 of the Belgian Code of Companies and Associations).
- Deletion from the Corporate Governance Charter of the remuneration policy, which was previously attached as an appendix to the Internal Rules of the Remuneration Committee. The remuneration policy will henceforth be a separate document which, in accordance with the Law of 28 April 2020 and the 2020 Corporate Governance Code, will be submitted for approval to the General Meeting of Shareholders on 30 October 2020.
- The section '*Potential conflict of interest between KBC Ancora and a party affiliated with KBC Ancora that is not a subsidiary*' has been brought into line with the new statutory rules on conflicts of interest as defined in Section 7:97 of the Belgian Code of Companies and Associations.

## Management structure

The statutory director has joint and several liability for the commitments of the company dating from before the conversion of the company from a partnership limited by shares to a public limited liability company.

Pursuant to Article 29 of the Articles of Association, decisions to amend the Articles of Association, decisions to make distributions to shareholders and decisions to dismiss the statutory director may only take effect when and if the statutory director agrees to them. The statutory director was appointed under the Articles of Association for the entire duration of the company. Its mandate may only be terminated under exceptional circumstances. The statutory director may however choose to resign without having to seek the endorsement of the General Meeting of Shareholders. Almancora Société de gestion is authorised as director to do all that is necessary for or conducive to the achievement of the company's object, with the exception of powers that are reserved by law for the General Meeting of Shareholders. Almancora Société de gestion receives no remuneration for exercising its mandate as director, but costs incurred during the exercise of that mandate are reimbursed.

## Board of Directors of Almancora Société de gestion SA

The following changes took place in the composition of the Board of Directors in the year under review:

- At the General Meeting of Shareholders of Almancora Société de gestion held on 29 November 2019, FINTRAC SRL (with Marc De Ceuster as permanent representative) was appointed as a C director for a term of four years, succeeding Jules Stuyck, who had reached the age limit set in the Articles of Association.
- At the Extraordinary General Meeting of Almancora Société de gestion held on 24 April 2020, Joseph Peeters was appointed as a new B director for a term of four years, as the successor to Koen Kerremans, who had completed his final term of office.

Table 5 shows the composition of the Board of Directors of Almancora Société de gestion and the committees set up under the Board's aegis. The number of meetings attended by each Board member is reported for the Board of Directors and its committees. The Board met twelve times in the financial year 2019/2020; the Day-to-Day Management Committee met eleven times; the Audit Committee met six times, the Appointments Committee four times and the Remuneration Committee twice.

Since taking up his mandate, he has attended all meetings of the Board of Directors. He was appointed on 29 November 2019 as a member and chair of the Audit Committee (succeeding Herman Vandaele), as a member of the Appointments Committee (succeeding Jules Stuyck) and as a member of the Remuneration Committee (succeeding Jules Stuyck).

<sup>3</sup> Herman Vandaele has been Chairman of the Board of Directors since 29 November 2019, as well as chair of the Appointments Committee and chair of the Remuneration Committee (in each case, succeeding Jules Stuyck).

### Composition of the Board of Directors

The mandate of the statutory director, Almancora Société de gestion, may only be terminated with its agreement or by the courts, if there are lawful reasons for doing so. For this reason, a great deal of attention has been paid to the way in which the Board of Directors of Almancora Société de gestion is constituted. Account was taken when drafting the Articles of Association of KBC Ancora's anchoring objective, the principles of effective corporate governance – more specifically recommendations from competent authorities – and the legal rules regarding conflicts of interest in listed companies.

The Board of Directors of Almancora Société de gestion consists of three types of directors, each with its own specific conditions for appointment:

- A directors are those whose directorship forms part of their everyday professional activity. The individuals in question are managing directors of Almancora Société de gestion, with individual powers of representation. The two current A directors are also managing directors of Cera Société de gestion, Cera's statutory director. This creates a personal link between KBC Ancora and Cera.
- B directors are non-executive directors who are members of the consultative bodies that operate within Cera Ancora ASBL as long as the latter does not oppose their candidacy. These directors personify the institutional link between KBC Ancora and Cera, as also enshrined in the description of KBC Ancora's object as set out in its Articles of Association.
- C directors are independent directors. They are appointed because of their independence vis-à-vis the management of KBC Ancora, Cera and the KBC group.

Directors are appointed for a maximum term of four years.

A directorships are renewable without limit but end by operation of law at the moment that the director concerned reaches the statutory retirement age. B directorships end by operation of law in any event following the Annual General Meeting of Shareholders held in the sixteenth year of the directorship or after the General Meeting of Shareholders following the year in which the director in question has reached the age of 70 years. C directorships end by operation of law in any event following the Annual General Meeting of Shareholders held in the twelfth year of the directorship or after the General Meeting of Shareholders following the year in which the director in question has reached the age of 70 years.

Directorships may be renewed. If a directorship is renewed within the same category, the director concerned may be reappointed one or more times on expiry of each term of office, though only for immediately following terms.

In cases where the Internal Rules permit the taking up of a directorship in a different category, possibly following a cooling off period of two years, the maximum total term of the directorship is calculated taking into account the years spent as a director in both categories.

In the event that there are one or more unfilled directorships, the remaining directors of the same category are authorised to co-opt a new director from among the candidates proposed by the Appointments Committee. The mandate of a co-opted director is submitted for ratification to the next General Meeting of Shareholders.

The Board selects a Chairman from among its B and C members.

There must be a minimum of three C directors. The A and C directors together constitute the majority on the Board of Directors. Persons may only be appointed as A, B or C directors by the General Meeting of Shareholders at the nomination of the Appointments Committee of Almancora Société de gestion. The C directors constitute the majority of the members of this Appointments Committee.

All C directors meet the specific independence criteria set out in Provision 3.5 of the Corporate Governance Code and the independence criteria as referred to in Section 7:87 of the Belgian Code of Companies and Associations.

Since 1 January 2017, at least one third of the members of the Board of Directors must be of a different gender from the remaining members. On the balance sheet date, the Board of Directors consisted of four women and seven men, thus meeting the requirements of the law.

### Powers of the Board of Directors

The Board of Directors of Almancora Société de gestion is authorised to perform all acts which are necessary for or conducive to the achievement of the company's object and, in the context of its directorship of KBC Ancora, for the achievement of KBC Ancora's object.

In exercising its directorship within KBC Ancora, Almancora Société de gestion pays particular attention to KBC Ancora's object. That object is aimed at the maintenance and management of a participating interest in KBC Group, or every company and/or group of companies which is a continuation thereof in order, together with Cera, to achieve and maintain the anchoring of KBC Group as described in the KBC Ancora Articles of Association.

The Board of Directors carries out all tasks which are assigned to it by law and/or the Articles of Association. Decisions on the company's strategy, its values and the focus of its policy take account of the consultations between KBC Ancora and Cera.

The Board of Directors exercises these powers with regard both to the management of Almancora Société de gestion itself and in relation to the management of KBC Ancora, given the capacity of Almancora Société de gestion as statutory director of KBC Ancora, all in accordance with the respective provisions of the Articles of Association. Where relevant, the Board of Directors also takes account of the cost-sharing agreement between Cera and KBC Ancora (see **Error! Reference source not found.**).

The Board of Directors is also authorised, in view of the capacity of Almancora Société de gestion as statutory director of KBC Ancora, to consult and collaborate with Cera in the light of their parallel anchoring objective.

Almancora Société de gestion is bound to implement its mandate as statutory director personally. However, as permitted by KBC Ancora's Articles of Association, the Board of Directors of Almancora Société de gestion has delegated the day-to-day management of KBC Ancora and of Almancora Société de gestion, as well as the implementation of the decisions taken by the statutory director, to two A directors who together constitute the Day-to-Day Management Committee.

### Functioning of the Board of Directors

The functioning of the Board of Directors is governed by the Articles of Association, supplemented by the relevant provisions of the Belgian Code of Companies and Associations. Further details are contained in the 'Guidelines for Directors of Almancora Société de gestion for the exercise of their directorship', which form part of the Internal Addendum to the KBC Ancora Corporate Governance Charter.

The Board of Directors met twelve times in the year under review. Each of these meetings was attended by virtually all members. In addition to its traditional duties (adopting the annual and interim results, proposing the appropriation of the result, monitoring the activities of the Audit Committee, Appointments Committee and Remuneration Committee, approving the budgets, etc.), the Board of Directors also addressed the following topics among others in the financial year 2019/2020:

- Monitoring the strategy and results of the KBC group and the functioning of the shareholder syndicate;
- Valuation of KBC Ancora's financial fixed assets;
- Proposal to bring the company within the scope of the Belgian Code of Companies and Associations with effect from 1 January 2020 (opt-in) and to amend KBC Ancora's Articles of Association accordingly (with effect from 1 January 2020);
- Proposal to amend KBC Ancora's dividend policy;
- Decision not to distribute an interim dividend by KBC Ancora in 2020 and to propose to the General Meeting of KBC Ancora shareholders not to declare a final dividend for the financial year 2019/2020;
- Proposal to appoint a C director;
- Proposal to appoint a B director;

- Appointment of chairman of Board of Directors;
- Appointment of a member and chairman of the Audit Committee;
- Appointment of a member and chairman of the Appointments Committee;
- Appointment of a member and chairman of the Remuneration Committee;
- Budgets for the financial year 2020/2021;
- Update of the KBC Ancora Corporate Governance Charter and approval of the Code of Ethics for the KBC Ancora management.

## Committees appointed within the Board of Directors

### Day-to-Day Management Committee

#### Composition:

The Day-to-Day Management Committee is a collegial body and comprises the two A directors. The term of office of the members of the Day-to-Day Management Committee ends on expiry of their term of office as A directors on the Board of Directors.

#### Powers:

The Day-to-Day Management Committee prepares the meetings of the Board of Directors and forwards proposals for decisions to the Board.

The Committee exercises its powers autonomously, but always within the framework of the general strategy as adopted by the Board of Directors.

The Day-to-Day Management Committee is authorised to conduct the day-to-day management of both Almancora Société de gestion and KBC Ancora.

#### Functioning:

The Day-to-Day Management Committee has been charged by the Board of Directors with the day-to-day management of the company. In principle, the Day-to-Day Management Committee meets once a month. The Committee met eleven times in the year under review. In addition, there were of course ongoing informal contacts between the Managing Directors.

### Audit Committee

#### Composition:

The Audit Committee comprises a minimum of three directors, other than A directors. More than half the members of the Audit Committee must be C directors.

C directors are independent directors, all of whom meet the independence criteria set in the Belgian Corporate Governance Code and in Section 7.87 of the Belgian Code of Companies and Associations.

Marc De Ceuster (permanent representative of FINTRAC SRL) and Christiane Steegmans (permanent representative of VISIONALITY SRL) were designated as the Audit Committee members with specific experience in relation to accounting and audit.

**Marc De Ceuster** (permanent representative of FINTRAC SRL) holds a doctorate in Applied Economics (UFSIA) and a *Master's* degree in Law (UIA). He has been a Professor of Financial Economics at Antwerp University since 2002. He is Academic Director at the Antwerp Management School, a member of the General Council of the Antwerp Management School and a former member of the Supervisory Board of Arkea Direct Bank. He also spent six years as a member of the Board of Directors of KBC Group on behalf of the Flemish Government.

**Christiane Steegmans** (permanent representative of VISIONALITY SRL) obtained a Master's degree in Commercial Engineering at the Solvay Brussels School of Economics and Management at Université Libre de Bruxelles. After performing finance assignments in a variety of sectors, she joined IBM Consulting as an associate partner, working on financial advisory assignments and on

setting up a system of shared services. She followed this with a variety of financial and strategic roles at Delhaize Group, at both Belgian and European level. When she left Delhaize in 2013, Christiane was Senior Vice President Corporate Development Belgium. She went on to fulfil a number of consultancy roles. Since 2016 she has been a partner at Innovity, a consultancy which advises company leaders on strategy, finance and governance. Christiane Steegmans has wide experience in finance and strategy in a variety of situations and sectors.

It is evident from the foregoing that a sufficient number of the independent directors who are members of the Audit Committee meet the independence and expertise criteria as laid down in Section 3.6, §1, 9° of the Belgian Code of Companies and Associations, and that the Audit Committee therefore possesses sufficient relevant expertise in relation to accounting and audit. The Audit Committee elects a chairman from among its members, who may not also be the Chairman of the Board of Directors, and appoints a secretary. The Audit Committee is chaired by FINTRAC SRL (represented by Marc De Ceuster).

**Powers:**

The Audit Committee supports the Board of Directors in the performance of its supervisory tasks in respect of audit in the widest sense.

The Audit Committee's tasks relate in particular to:

- Financial reporting and communication;
- Internal control and risk management;
- Overseeing the effective functioning of the company's internal control system;
- The external audit function performed by the auditor;
- Additional audit duties.

**Functioning:**

The Audit Committee meets as often as necessary for its proper functioning, and at least four times a year.

The Audit Committee's activities are governed by the Internal Rules of the Audit Committee, which are incorporated in the Corporate Governance Charter.

The managing directors are not members of the Audit Committee, but are invited to attend meetings. This arrangement guarantees the necessary dialogue between the Board of Directors and the executive management.

The Audit Committee met six times during the year under review. Among the topics discussed by the Audit Committee in the financial year 2019/2020 were the following:

- Valuation of KBC Ancora's financial fixed assets;

- Interim figures of KBC Ancora;
- Proposal not to distribute an interim dividend by KBC Ancora in 2020 and to propose to the General Meeting of Shareholders not to declare a final dividend for the financial year 2019/2020;
- KBC Ancora's budgets for the financial year 2020/2021;
- Evaluation of the effectiveness of the Audit Committee and the adequacy of the Internal Rules of the Audit Committee.

## Appointments Committee

### Composition:

The Appointments Committee comprises a minimum of three directors. C directors form the majority of the Committee's members.

The Appointments Committee is chaired by the Chairman of the Board of Directors of Almancora Société de gestion, except where the choice of his or her successor is being discussed.

### Powers:

The Appointments Committee submits proposals directly (i.e. without the intervention of the Board of Directors) to the General Meeting of Shareholders of Almancora Société de gestion as regards the appointment of A, B and C directors.

As the majority of the Appointments Committee consists of independent, non-executive directors (C directors), the direct nomination of candidate directors offers the best guarantee of an independent nominations policy, in which the focus is exclusively on KBC Ancora's interests.

No directors may be appointed who have not been nominated by the Appointments Committee.

### Functioning:

The Appointments Committee meets as often as necessary for its proper functioning, and at least twice a year.

The Appointments Committee's activities are governed by the Internal Rules of the Appointments Committee, which are incorporated in the Corporate Governance Charter.

The Appointments Committee met four times during the year under review. Among the matters discussed at these meetings were the following:

- Nomination for appointment of a C director;
- Nomination for appointment of a B director;
- Filling the vacant position of Chairman of the Board of Directors;
- Filling the vacant positions of member and chair of the Audit Committee;
- Filling the vacant positions of member and chair of the Appointments Committee;
- Filling the vacant positions of member and chair of the Remuneration Committee;
- Evaluation of the activities of the Appointments Committee in 2018/2019;
- Evaluation of the composition and size of the Board of Directors and the Committees.

Whenever necessary or appropriate, joint meetings are organised with the Appointments Committee of Cera Société de gestion.

## Remuneration Committee

### Composition:

The Remuneration Committee comprises at least three directors, other than A directors, of whom the majority are C directors.

The Remuneration Committee is chaired by the Chairman of the Board of Directors of Almancora Société de gestion.

### Powers:

The Remuneration Committee:

- Puts forward proposals regarding the remuneration policy at least every four years or whenever a material change makes this necessary (cf. Section 7:89/1 of the Belgian Code of Companies and Associations) for B and C directors and for members of the Day-to-Day Management Committee (A directors);
- Puts forward proposals concerning the individual remuneration of B and C directors and of members of the Day-to-Day Management Committee in line with the approved remuneration policy (cf. Section 7:89/1 of the Belgian Code of Companies and Associations);

- Prepares the remuneration report;
- Explains the remuneration report at the General Meeting of Shareholders.

Where relevant, consultation takes place with the Remuneration Committee of Cera Société de gestion.

#### **Functioning:**

The Remuneration Committee meets as often as necessary for its proper functioning, and at least twice a year. The Remuneration Committee met twice in the year under review.

The Remuneration Committee has sufficient relevant expertise in the field of remuneration policy. Among the members of the Remuneration Committee, Herman Vandaele possesses specific experience in the field of HR management and remuneration of company directors.

The Remuneration Committee's activities are governed by the Internal Rules of the Remuneration Committee, which are incorporated in the KBC Ancora Corporate Governance Charter.

Among the matters discussed in the Remuneration Committee in the year under review were the remuneration of B and C directors, the job descriptions scheme and an evaluation of the functioning of the Remuneration Committee.

#### **Auditor**

The General Meeting of Shareholders held on 27 October 2017 reappointed KPMG Réviseurs d'entreprises SCRL (KPMG) as auditor for a further period of three years. KPMG Réviseurs d'entreprises appointed Kenneth Vermeire as its permanent representative.

KPMG Réviseurs d'entreprises received a fee of EUR 15,604.71 (excluding VAT) for the financial year 2019/2020 for the performance of its normal auditing duties.

#### **Main features of the evaluation process for the Board of Directors, its committees and its individual members**

The Board of Directors discusses and evaluates its size, composition and activities on a regular basis, and at least once every three years, as well as the functioning of the Board and its committees and the interaction between the Board of Directors and the Day-to-Day Management Committee. This evaluation is performed by the Board of Directors on the initiative of the chairman and assisted by the Appointments Committee. In addition, each committee tests and assesses its effectiveness regularly, and at least every three years, and submits a report on this to the Board of Directors. Where necessary, the committee in question proposes changes to the Board of Directors.

The contribution of each member of the Board of Directors is periodically evaluated in order to be able to adapt the composition of the Board of Directors to take account of changing circumstances. The evaluation takes into account their general role as directors as well as their specific roles as chairman or member/chairman of a committee, respectively. In the event of a reappointment, the commitment and effectiveness of the director are assessed in accordance with a predetermined and transparent procedure.

The Board of Directors acts on the basis of the results of the evaluation by further developing its strengths and addressing its weaknesses. Where appropriate this means that new members are proposed for appointment, that a proposal is made that existing members should not be reappointed or that measures are taken that are deemed conducive to the effective functioning of the Board of Directors.

B and C directors meet at least once a year in the absence of the A directors in order to evaluate their interaction with the Day-to-Day Management Committee.

## Remuneration report for the financial year

### Description of the procedures for the development of the remuneration policy for setting the remuneration of individual directors and members of the Day-to-Day Management Committee

Almancora Société de gestion receives no remuneration for performing its mandate as statutory director. It does receive reimbursement of the costs it incurs in respect of the remuneration paid to the directors and for the reimbursement of expenses paid to B and C directors.<sup>2</sup>

As KBC Ancora is managed by a statutory director, the legal provisions concerning remuneration policy and the relevant provisions of the Belgian Corporate Governance Code are applied transparently at the level of the Board of Directors of Almancora Société de gestion SA. The Board of Directors of Almancora Société de gestion has appointed a Remuneration Committee which formulates proposals in respect of the remuneration policy, makes recommendations concerning the individual remuneration for the B and C directors and for the members of the Day-to-Day Management Committee (A directors) and prepares and explains the remuneration report to the General Shareholders Meeting. The Remuneration Committee has an advisory function.

The Remuneration Committee monitors trends in legislation, the Corporate Governance Code and market practices, paying particular attention to developments in the remuneration policy at KBC Group SA, and may seek external advice where necessary. The Board of Directors may also instruct the Remuneration Committee on its own initiative or at the proposal of the Day-to-Day Management Committee to investigate possible changes to the remuneration policy and to advise the Board of Directors accordingly.

Whenever necessary or appropriate, joint meetings are organised between the Remuneration Committee of Almancora Société de gestion and the Remuneration Committee of Cera Société de gestion.

### Declaration concerning the remuneration policy pursued during the year under review with respect to directors and members of the Day-to-Day Management Committee

#### *A directors:*

A directors exercise their mandate within Almancora Société de gestion without remuneration. They are reimbursed for their duties as members of the Day-to-Day Management Committee of KBC Ancora (see below).

#### *B and C directors:*

As a basic principle, non-executive directors (B and C directors) of Almancora Société de gestion receive a fair level of remuneration which is proportionate to their contribution to the policy of KBC Ancora and which is based on the following principles:

- The remuneration of B and C directors takes into account their responsibilities and time investment.
- B and C directors receive a fixed remuneration and an attendance fee for each meeting of the Board of Directors attended. The remuneration of B directors also takes into account the

<sup>2</sup> In addition to the payments to directors, which account for the majority of the total expenses incurred by Almancora Société de gestion in the performance of its mandate as director, Almancora Société de gestion's other operating costs are also charged in full to KBC Ancora (see **Error! Reference source not found.**).

remuneration they receive for their membership of the Board of Directors of Cera Société de gestion.

- Given the large amount of time he/she invests in KBC Ancora, the Chairman of the Board of Directors enjoys a deviating remuneration regime. He or she receives a higher fixed remuneration, but no attendance fees.
- B and C directors who are members of the Audit Committee also receive an attendance fee for each meeting of the Committee they attend. The chairman of the Audit Committee receives a fixed remuneration.
- The members of the Appointments Committee and the Remuneration Committee do not receive attendance fees, but merely reimbursement of travel expenses incurred.
- Finally, B and C directors are entitled to reimbursement of expenses incurred in exercising their function as directors.

Where relevant, consultation takes place with the Remuneration Committee of Cera Société de gestion.

B and C directors receive no remuneration in the form of shares in the company. Since KBC Ancora is a single-asset holding company, the company's result is very largely determined by the results of KBC Group. The ultimate object of KBC Ancora, namely the anchoring of KBC Group, is moreover predicated on a very long-term vision. In view of this, the statutory director is of the opinion that reimbursing B and C directors partly in the form of shares in the company offers insufficient added value. For this reason, the director has chosen to deviate from Provision 7.6 of the Corporate Governance Code, which recommends that part of the remuneration of non-executive directors should be awarded in the form of shares in the company.

*The members of the Day-to-Day Management Committee of KBC Ancora:*

The Day-to-Day Management Committee, a collegial body comprising the A directors of the statutory director, is charged with the day-to-day management of KBC Ancora.

Their remuneration package is fixed contractually by Cera. With the exception of any variable remuneration of the chairman of the Day-to-Day Management Committee (which is paid in full by Cera), 20% of their total reimbursement is charged on to KBC Ancora in the context of the cost-sharing agreement between Cera and KBC Ancora (see **Error! Reference source not found.**). Where relevant, consultation takes place with the Remuneration Committee of Cera Société de gestion.

All decisions concerning the remuneration of members of the Day-to-Day Management Committee of KBC Ancora require the consent of both the management body of Cera and the Board of Directors of the statutory director of KBC Ancora, where the costs of that remuneration are born in part by KBC Ancora.

The remuneration of the members of the Day-to-Day Management Committee, 20% of which is paid by KBC Ancora, consists of a fixed remuneration, the use of a company car or travel allowance and a competitive insurance package, which among other things includes a supplementary retirement or survivor's pension, disability insurance, hospitalisation insurance and emergency assistance insurance.

The amount of the fixed remuneration is determined on the basis of the individual responsibilities and powers of the A directors, taking into account the remuneration paid for comparable functions in the marketplace.

Franky Depickere's employment contract is of indefinite duration and commenced on 1 September 2006. It provides for severance pay amounting to 24 months' fixed remuneration. The employment contract agreed with Katelijne Callewaert took effect on 3 August 2016 and provides for a severance package equivalent to 12 months' fixed remuneration. The company is bound to contribute to the observance of this contractual undertaking if the situation should arise.

Any variable remuneration of the members of the Day-to-Day Management Committee within Cera is not passed on via the cost-sharing agreement. The members of the Day-to-Day Management Committee also receive no variable remuneration from KBC Ancora. The ultimate object of KBC Ancora, namely the anchoring of KBC Group, in itself presupposes a very long-term vision. In the light of this, it is not entirely appropriate to formulate performance criteria, the assessment of which will inevitably be based on a relatively short-term perspective. Moreover, variable remuneration which is based solely on individual performance criteria pertaining to one member of the Day-to-Day Management Committee within KBC Ancora will inevitably be limited in scope compared with the fixed remuneration. Bearing in mind the modest share taken by KBC Ancora in the fixed remuneration (20%), the benefits of this limited variable remuneration are not sufficient to justify the administrative complexity it involves, because it would bring the personal financial interests of the members of the Day-to-Day Management Committee and the interests of KBC Ancora into line to only a limited extent. For this reason, KBC Ancora has opted to deviate from Provisions 7.7 and 7.8 of the Corporate Governance Code, which recommend that an appropriate portion of the remuneration package of the executive management be linked to the performance of the company and to the performance of the individuals concerned.

Members of the Day-to-Day Management Committee receive no remuneration in the form of shares in the company. Since KBC Ancora is a single-asset holding company, the company's result is very largely determined by the results of KBC Group. The ultimate object of KBC Ancora, namely the anchoring of KBC Group, in itself presupposes a very long-term vision. In view of this, KBC Ancora is of the opinion that imposing an obligation on the members of the Day-to-Day Management Committee to hold shares in the company offers insufficient added value. For this reason, KBC Ancora has chosen to deviate from Provision 7.9 of the Corporate Governance Code, which recommends setting a minimum threshold for the number of shares in the company that must be held by the members of the executive management.

Relative weight of the different remuneration components

During the year under review, the fixed portion of the remuneration and the pension contributions were the most important components.

Features of the performance bonuses in the form of shares, options or other rights to acquire shares

Not applicable.

Information on the remuneration policy for the next two financial years

The Remuneration Committee periodically evaluates the remuneration policy, and at the present time has no intention of materially amending the principles on which that policy is based.

## Remuneration paid to individual members of the Day-to-Day Management Committee

The Day-to-Day Management Committee is a collegial body and comprises two members. The company is therefore not led by a CEO in the sense of a sole operational and responsible representative of the enterprise. Nonetheless, there is a material difference in the amounts of remuneration received by the two Managing Directors. On the one hand this difference reflects the difference in employment percentage (100% for Franky Depickere and 20% for Katelijjn Callewaert), and on the other the additional responsibilities held by Franky Depickere (including as permanent representative of Almancora Société de gestion and Cera Société de gestion, Chairman of the Day-to-Day Management Committees of KBC Ancora and Cera, Chairman of the Risk and Compliance Committee of KBC Group, KBC Bank and KBC Insurance, and numerous other mandates within the KBC group). The figures shown in table 7 are the amounts actually charged by Cera to KBC Ancora.

\* Mandate exercised on the basis of a self-employment contract.

\*\* The pension contributions take the form of fixed contributions to fund a supplementary retirement or survivor's pension.

\*\*\* Other remuneration comprises the use of a company car or travel allowance, hospitalisation insurance and emergency assistance insurance package.

**Ratio of highest remuneration of the members of the Day-to-Day Management Committee to lowest remuneration of employees**

Not applicable since KBC Ancora has no employees.

**Shares, share options and other rights to acquire KBC Ancora shares granted, exercised or lapsed during the year under review, on an individual basis**

No shares, share options or other rights to acquire KBC Ancora shares were granted or exercised during or before the year under review.

Total remuneration paid to B and C directors	148,473	137,793	131,400	121,586	131,651

As KBC Ancora has no employees, it is not possible to present a summary of the annual change in the average remuneration of employees.

The total amount of remuneration is in line with the remuneration policy as approved by the Ordinary General Meeting of Shareholders. In view of the limited operational activity of the company, it is not considered helpful to link the remuneration to the long-term trend in its performance. That long-term performance has to be judged in the light of the ultimate object of the company and its statutory director, which in essence is focused on realising and maintaining the anchoring of KBC Group, together with the Cera cooperative. Since the long-term performance of the company is not linked to its financial performance, it does not regard a comparison between the trend in annual remuneration and the trend in the (financial) performance of the Company to be a useful exercise.

## Internal control and risk management

Since KBC Ancora is a single-asset holding company whose sole asset is a substantial participating interest in KBC Group, the operational activities of KBC Ancora are fairly limited. KBC Ancora employs no staff. The operational activities are in the hands of joint staff of Cera and KBC Ancora (with costs being charged by Cera to KBC Ancora via the cost-sharing agreement; see **Error! Reference source not found.**).

The budgets are prepared by the Day-to-Day Management Committee and are explained and discussed in the Audit Committee before being submitted for approval to the Board of Directors. The Day-to-Day Management Committee periodically monitors the budgets and submits a report on them to the Audit Committee and the Board of Directors.

The system of internal control and risk management is characterised by the following elements:

- Sufficient information is made available to the Audit Committee to enable the cost of debt as well as the direct operating costs of KBC Ancora to be discussed and monitored in depth;
- The other operating costs are shared costs of KBC Ancora and Cera, which are borne by Cera and which to the extent that they relate to KBC Ancora are subsequently charged on to KBC Ancora. The Audit Committee of Almancora Société de gestion is closely involved in the following aspects of the discussion and monitoring of the budgets relating to the shared costs:
  - Organisation of an annual joint meeting of the Audit Committees of Cera Société de gestion and Almancora Société de gestion to discuss the budgets and cost-sharing agreement between Cera and KBC Ancora;
  - Discussion of the audit cycle during this joint annual meeting;
- The provision of transparent and regular information to the Audit Committee of Almancora Société de gestion concerning the operational activities and controls in place at Cera, in so far as these are relevant for the cost-sharing agreement between Cera and KBC Ancora;
- Taking cognisance and discussion of the annual audit report by the auditor and of the specific activities of the auditor.

During the year under review, the Audit Committee of Almancora Société de gestion evaluated the adequacy of the present system of internal control and risk management. Based on this evaluation, the Audit Committee judged that there is currently no need to put in place additional control measures or to initiate an internal audit function.

## Code of conduct in respect of conflicts of interest

In addition to the legal provisions concerning potential conflicts of interest with a director or key shareholder (Section 7:96 in conjunction with Sections 7:102 and 7:103 and Section 7:97 of the Belgian Code of Companies and Associations), the Board of Directors of Almancora Société de gestion has drawn up rules governing potential conflicts of interest between directors/members of the Day-to-Day Management Committee of Almancora Société de gestion and KBC Ancora. These rules are incorporated in the KBC Ancora Corporate Governance Charter.

No incidents occurred in the year under review for which the rules on conflicts of interest with the statutory director or the rules on conflicts of interest with a major shareholder needed to be applied. There were also no conflicts of interest between directors/members of the Day-to-Day Management Committee of Almancora Société de gestion and KBC Ancora.

## Code of conduct to prevent market abuse

The Board of Directors of Almancora Société de gestion has drawn up a code of conduct intended to prevent market abuse. The principles of the code of conduct have been incorporated in the KBC Ancora Corporate Governance Charter.

The code of conduct to prevent market abuse provides among other things for the drawing up of a list of insiders, the setting of annual blackout periods, the reporting of trades by directors and employees involved to the Compliance Officer and the reporting of trades by management to the Belgian Financial Services and Markets Authority (FSMA).

### **Annual notification pursuant to Article 74, §8 of the law of 1 April 2007 on public takeover bids**

The majority of the shares are held by Cera SC. On 19 August 2020 Cera reported (pursuant to Article 74 §8 of the law of 1 April 2007 on public takeover bids) that as at 30 June 2020 it (still) held more than 30% of the voting rights in KBC Ancora. Specifically, Cera reported that it held 40,087,275, or 51.20%, of the total of 78,301,314 KBC Ancora shares.

This notification was made with a view to retaining the exemption from the obligation to issue a bid for the entire body of securities with voting rights of KBC Ancora SA.

### **Guidelines for the exercise of directorships**

The 'Guidelines for directors of Almancora Société de gestion for the exercise of their directorship mandates' form part of the 'Internal Addendum to the KBC Ancora Corporate Governance Charter'. They were most recently updated on 21 December 2007.

The Audit Committee oversees compliance with the 'Guidelines for directors of Almancora Société de gestion for the exercise of their directorship mandates'.
